

7th Annual Scott & Hoffnagle

CLAY SHOOT

Presented by:

EMPLOYEE-OWNED

**Commonwealth
Fire Protection**

Commonwealth Fire Protection has hosted a fund raising sporting clays shoot since 2015 and has raised over \$100,000 for students furthering their education. 2021 we were honored to award a total of \$32,500 in scholarships to (5) deserving students.

As odd as 2020 was, our event set multiple records! We set a record for number of shooters and funds raised!

Steve Scott was the founding owner and President of Commonwealth Fire Protection. He was our leader, our mentor and most importantly, our friend! Steve was wise beyond his years. He was honorable and always did "it" right! Regardless of the situation, he always took "the high road" and did what was necessary to maintain a relationship, whether it be business or personal. He was a person of high integrity. Steve surrounded himself with like-minded people and built the company through arduous work and dedication.

Paul W. Hoffnagle was one of those like-minded people who surrounded Steve. Paul's integrity and ethics lead him to live his life to the fullest. Paul's impact on everyone he met was immeasurable! After the loss of Steve, Paul continued his dedication to the CFPC family and he lead with honor. There is an extremely large hole missing in the lives of those who knew Steve and Paul, but it is the goal of CFPC to honor them both with the glory they deserve.

CFPC became a 100% Employee Owned company in 2019 and celebrates its 44th year of business in 2021.
