

SCOTT & HOFFNAGLE SCHOLARSHIP FUND

Commonwealth Fire Protection Company a 100% Employee-Owned company (CFPC) is pleased to provide you with information regarding the (Stephen) **Scott &** (Paul) **Hoffnagle Scholarship Fund**. The SES & PWH Scholarship Fund was originally established in 2015 to honor the past President of CFPC, Stephen E. Scott and revised in 2018 to honor past CEO, Paul W. Hoffnagle. CFPC is a fire sprinkler contractor located in Leola, PA and Wilmington, DE serving the Mid-Atlantic area with design, fabrication, installation, service and inspection of automatic fire sprinkler systems. 2022 is the eighth year for the scholarship.

Steve Scott was the founding owner and President of Commonwealth Fire Protection. He was our leader, our mentor and most importantly, our friend! Steve was wise beyond his years. He was honorable and always did "it" right! Regardless of the situation, he always took "the high road" and did what was necessary to maintain a relationship, whether it be business or personal. He was a person of high integrity. Steve surrounded himself with like-minded people and built our company through hard work and dedication. We are celebrating our 45th year of business in 2022.

Paul W. Hoffnagle was one of those likeminded people who surrounded Steve. Paul's integrity and ethics lead him to live his life to the fullest. Paul's impact on everyone he met was immeasurable! After the loss of Steve, Paul continued his dedication to the CFPC family and he lead with honor. There is an extremely large hole missing in the lives of those who knew Steve and Paul, but it is the ultimate goal of CFPC to honor them both with the glory they deserve.

Steve and Paul both had the same love of the outdoors and the shooting sports. They both had a thorough love of fly fishing and hunting. Steve always had an English Setter at his side chasing grouse and pheasants and Paul always had his labs chasing pheasants, ducks and geese. The obvious method of fund raising was to hold an annual Sporting Clays Shoot. In the first (7) years CFPC has hosted the event, over \$125,000 has been raised for scholarships for students involved in furthering their education. Once again in 2022 we will be awarding five students with a total of \$32,500 in funds! Information is available on our web site www.cfpsprinkler.com

The SES & PWH Fund was developed to honor Steve and Paul and their dedication to continued education. Steve and Paul were both very active in encouragement of education. Although all applications for individuals furthering their education are considered, preference will be provided to Construction "trade" related curriculums.

Sincerely,

SES & PWH Scholarship Board of Directors,
Dave Woratyła, Jeff Fromm, Charmaine Zercher, Tim Kershner, Joy Scott, Jeff Wyse
